House BILL NO. 183

INTRODUCED BY Mayer Dennis Boohart Ryan ... Ahner
Kathleen Stearns Thomas Wagner

A BILL FOR AN ACT ENTITLED: "AN ACT GENERALLY REVISING THE LAWS RELATING TO SCHOOL FIRE DRILLS; CHANGING "FIRE DRILLS" TO "DISASTER DRILLS"; REQUIRING SCHOOL DISTRICTS TO IDENTIFY LOCAL HAZARDS AND TO DESIGN APPROPRIATE DRILLS; ELIMINATING THE REQUIREMENT THAT SCHOOL DISTRICTS IN CERTAIN SEISMIC ZONES ESTABLISH EARTHQUAKE EMERGENCY PLANS; AMENDING SECTIONS 20-1-401, 20-1-402, 20-1-404, AND 20-1-407, MCA; AND REPEALING SECTIONS 20-1-403, 20-1-406, AND 20-7-1101, MCA."

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF MONTANA:

Section 1. Section 20-1-401, MCA, is amended to read:

"**20-1-401. ~~Fire~~ Disaster drills to be conducted regularly -- districts to identify disaster risks.** (1) As used in this part, "disaster" has the same meaning as in 10-3-103. ~~Fire exit~~ Disaster drills ~~shall~~ must be conducted regularly in accordance with ~~the applicable provisions of the following sections~~ this part.

(2) A board of trustees shall identify the local hazards that exist within the boundaries of its school district and design drills to address those hazards."

Section 2. Section 20-1-402, MCA, is amended to read:

"**20-1-402. Number of ~~fire~~ disaster drills required -- ~~avoiding severe cold weather~~ time of drills to vary.** There ~~shall~~ must be at least eight ~~fire exit~~ disaster drills a year in ~~schools~~ a school. At least four of the drills must be fire exit drills. ~~In climates where the weather is severe during the winter months, weekly drills should be held at the beginning of the school term to complete the required number of drills before cold weather so as not to endanger the health of the pupils.~~ Drills must be held at different hours of the day or evening to avoid distinction between drills and actual disasters."

Section 3. Section 20-1-404, MCA, is amended to read:

"**20-1-404. Drill to sound on ~~fire~~ disaster alarm system -- recall signal to be distinct -- control of signal.** ~~All fire exit~~ (1) If a disaster drill is signaled with an alarm, the ~~alarms shall~~ alarm must be sounded

HB183
INTRODUCED BILL

on the ~~fire~~ disaster alarm system and not on the signal system used to dismiss classes.

(2) The recall signal must be separate and distinct from any other signal. The recall signal may be given by distinctive colored flags or banners. If the recall signal is electrical, the push buttons or other controls must be kept under lock and the key kept in the possession of the principal or some other designated person in order to prevent a recall at a time when there is a disaster. Regardless of the method of recall, the means of giving the signal must be kept under lock."

Section 4. Section 20-1-407, MCA, is amended to read:

"20-1-407. **Inspection of exits -- cooperation with ~~fire department~~ local authorities in drills.** It ~~shall be~~ is the duty of the school authorities to inspect all exit facilities periodically, in order to make sure that all stairways, doors, and other exits are in proper condition~~, and~~. School authorities shall cooperate with the local fire department ~~authorities~~ and the local disaster and emergency services authorities in conducting ~~fire~~ disaster drills."

NEW SECTION. **Section 5. Repealer.** Sections 20-1-403, 20-1-406, and 20-7-1101, MCA, are repealed.

TESTIMONY IN SUPPORT OF HB 183, 1/20/97

I am Paul Spengler, Lewis and Clark County Disaster & Emergency Services Coordinator, and a member of the Montana Association of Disaster and Emergency Services Coordinators, which supports HB 183 for these reasons:

1. Most schools are faced with various hazards, such as building fires,floods, hazardous materials, earthquake, wildfire and winter storms. This bill requires that schools conduct an analysis to determine the extent and variety of their hazards that threaten the lives of the students and staff.

2. At least four of the required eight disaster drills per year would be fire drills, and the other four drills would focus on the identified hazards that constitute a threat to the school.

3. This flexibility would encourage schools to use the other four drills to better prepare students and staff for the hazards in their area, and to work closely with fire and disaster and emergency services coordinators in their jurisdictions.

4. An example of this bill put to practice in Lewis and Clark County would encourage school officials to have earthquake drills because most of the county is in a major earthquake risk area, Seismic Zone 3. And Rossiter School in the Helena Valley would probably have at least one flood drill because it sits in the flood plain. Other schools should have drills for hazardous materials, because they are near hazardous materials plants or transportation routes.

5. In closing, the bill would require schools to analyze the hazards it their area and conduct the necessary disaster drills to minimize the risk of those hazards to students and staff. Please vote for this important bill that would increase the emergency preparedness of our schools.

HB 183

PROPONENT TESTIMONY FOR HB 183

My name is Roberta Spengler, and I am a first grade teacher at Eastgate School in East Helena. I support HB 183 because it will help my school better prepare for emergencies in the area by studying and identifying our hazards, and then to have disaster drills that would teach the staff and students how to respond to emergencies caused by these hazards.

Eastgate School currently has fire and earthquake drills, because we know that we are in a high risk area for earthquakes, and this would allow schools in other districts to conduct their own hazard analysis by working closely with emergency officials in their area, and then to have the drills that are determined to be the best for their area. Thank you for this opportunity to testify.

HEARING ON HB 183

Sponsor: **REP. GAY ANN MASOLO, HD 40, Townsend**

Proponents: **Paul Spengler, Lewis & Clark County Disaster & Emergency Services Coordinator**
Jim Greene, Montana Disaster & Emergency Services
Bruce Suenram, Department of Justice
Gail Gray, Office of Public Instruction
Loran Frazier, School Administrators of Montana
Lance Melton, Montana School Boards Association

Opponents: **None.**

Opening Statement by Sponsor:

REP. GAY ANN MASOLO, HD 40, Townsend, said HB 183 had no fiscal impact, a lot of local control, and revised the laws regarding school fire and earthquake drills. She said HB 183 allowed schools to have eight disaster drills per year (four fire and four hazard), instead of currently eight fire and four earthquake drills. **REP. MASOLO** said schools would be allowed to identify hazards in their own particular districts and plan emergency drills to respond to them. She asked HB 183 BE CONCURRED IN.

Proponents' Testimony:

Paul Spengler, Lewis & Clark County Disaster & Emergency Services Coordinator, read his written testimony. **(EXHIBIT 1)**

Jim Greene, Montana Disaster & Emergency Services, said HB 183 gave schools flexibility to address their hazards. He said in some situations emergency help might not arrive until several hours after the disaster; therefore, drills for several types of hazards were necessary. He voiced support for HB 183.

Bruce Suenram, Department of Justice, expressed support for the bill. He said his department had been involved in reducing the number of drills required by state government. He urged the Committee's support.

Gail Gray, Office of Public Instruction (OPI), said OPI wanted to be on record as supporting HB 183 because they liked the aspect of local control. She said they had talked to fire marshals, disaster experts, etc., and all said it made sense.

Loran Frazier, School Administrators of Montana (SAM), said SAM wanted to go on record as supporting HB 183 because it made sense and added to the safety of children.

Lance Melton, Montana School Boards Association (MSBA), could not be there so he sent his oral testimony of support with **Loran Frazier.**

{Tape: 1; Side: A; Approx. Time Count: 3:34 p.m.}

Opponents' Testimony: None.

Questions From Committee Members and Responses:

SEN. DEBBIE SHEA referred to Section 3, Subsection (2), and asked if the distinction was between an alarm in class and an alarm to warn the students. **REP. MASOLO** said it was. **SEN. SHEA** asked about keeping the controls under lock and key. **REP. MASOLO** said it was to ensure students did not falsely set off the alarm.

Closing by Sponsor:

REP. GAY ANN MASOLO said preparedness for any type of disaster was the best answer and local decision was the best. She asked HB 183 BE CONCURRED IN.

Susan Wilson, All Ready Preschool, St. Regis
Lee Murphy, All Ready Preschool, Superior

Opponents: **None.**

Opening Statement by Sponsor:

SEN. BARRY "SPOOK" STANG, SD 36, St. Regis, said SB 357 would establish a Montana prekindergarten program, committee and trust in order to start prekindergartens. He explained the Fact Sheet **(EXHIBIT 2)**. **SEN. STANG** said both he and **SEN. JOHN HARP**, whose signature was also on the bill, believed finding money for the program in SB 357 would reap savings in the future.

Proponents' Testimony:

Larry Regnier, Superior Schools, said he had been a school superintendent for 22 years and experienced frustration in trying to react to daily situations with regard to at-risk situations; primarily, youth entering the adolescent arena. He wondered why schools were not being proactive in trying to find answers to the problems. **Mr. Regnier** said he had brainstorming sessions with two educators who had put together a program for early childhood intervention; they would share their experiences in a few moments. He referred to **(EXHIBIT 2)**, Investment Return, and to an article in "Time" magazine which indicated remedial education would be more effective at ages 3-4 than at 9 or 10, and good, affordable day care was not a luxury or fringe benefit for
